

HABB DAY

MAY 2ND

**HABB A GREAT DAY
GIVE £1 TO HABB
AND FEEL FAB**

Following the success of the launch of HABB Day last year, we are once again calling on every hairdresser, beauty therapist and nail technician to simply donate £1 to HABB.

It's so simple to help. Just nominate one person from your company to collect a £1 donation from every team member and then either

- send a cheque,
- call HABB with your credit card, or
- go online to www.justgiving.com and click Hair & Beauty Benevolent page.

That's it!

Create your own initiative for the day – dress up, dress down, but have fun!

Habb is our industry's charity, so whatever your intentions, every penny counts, and every penny you raise will be used to help those industry individuals who face difficulties

Please help us to make this a special date in your calendar and to raise the money we need to help others
